Polonaise Ball

from the White House
to the American Institute of Polish Culture

Nancy and I are delighted to extend our warm greetings and congratulations as members and guests of the American Institute of Polish Culture gather to celebrate your 10th Anniversary at the Polonaise Ball. We realize that as you commemorate your Anniversary, you also will be observing Solidarity Day in support of the Freedom-Loving people of Poland. We want you to know that we join in this observance and that the Poles have our thoughts and prayers.

Again, congratulations and warm personal regards.

Sincerely,

Ronald Reagan
